TRI-CAP is committed to detecting and preventing sexual harassment and sexual abuse within our facility. Staff/Resident training and education is a key component in prevention efforts.

Policies and procedures are in place to prevent, detect, and respond to any acts of sexual harassment and sexual abuse. TRI-CAP will continue to take steps to ensure the safety of our staff and residents. The resident intake process provides clear information about our zero tolerance policy and the definitions of sexual abuse and harassment. Residents are provided with multiple avenues in which to report concerns. There were zero allegations made in 2022.

TRI-CAP staff is thorough in their orientation with residents when reviewing PREA and the zero tolerance policy upon intake.

Corrective Actions: No areas of corrective action were identified as a result incident reviews.

Areas of Improvement: No areas of improvement were identified as a result of incident reviews.
